ENLENS LAUNCHES ITS NEW WEBSITE

ENLENS

MAY 2, 2023 ·

SHARE

The University of Amsterdam's new research priority area (RPA), "Energy Transition through the Lens of Sustainable Development Goals" (ENLENS), launches its new website to disseminate its research and work.

The aim of ENLENS is to stimulate and initiate interdisciplinary cross-faculty research that maps the energy transition in the Netherlands and Europe against the Sustainable Development Goals (SDGs) beyond the Dutch and European borders with special focus on trade-offs and synergies.

FUTURE ENERGY SEMINAR – 15th MAY 2023

The next Future of Energy Seminar will bring two lectures. The first lecture will discuss energy humanities at the Port of Amsterdam, while the second will bring on a historical perspective on the energy transition.
