Faculty of Social and Behavioural Sciences
Graduate School of Child Development and Education

Research Master
Child Development and Education
Research Master

Child Development and Education

- **Content**
  - Research into child development (parenting, development, family support, psychopathology)
  - Research into education (school research, learning disorders)

- **Programme**
  - Instruction in research
  - Practice in research

- **Outlook**
  - Research career
  - Academic career

- **Application**
  - Procedure, Admission criteria
Research training

- Research into child development
  - Childhood education, family support
  - Developmental and parenting problems
  - Forensic child and youth care sciences
  - Learning and social-emotional disorders

- Research into education
  - Micro-processes at school and learning
  - Distal and proximal processes at school
Two-year programme

- Instruction in research
  - Disciplinary courses
    - Domain courses
    - Special courses
  - Supporting courses
    - Methods and statistics
    - Writing and presenting skills
- Practice in research
  - Internship
  - Thesis
### REGULAR ROUTE: YEAR 1

<table>
<thead>

<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

- Clinical internship + research assignment
Outlook

■ Research
  □ Universities
  □ Academic clinics: Science-practitioner
  □ Outside university (e.g., commercial research)

■ Academic career
  □ PhD student
  □ Postdoc, Researcher, Lecturer
  □ Assistant Professor
  □ Associate Professor
  □ Full Professor
Application

- Application procedure
  - Application file → http://www.uva.nl/en/education/master-s/master-s-programmes
  - Interview

- Admission criteria
  - Bachelor degree
  - Strong academic record, writing skills
  - Elementary knowledge of methods and statistics
  - Active and passive proficiency in English
  - Interest, motivation, ambition to become researcher
See you soon in the Research Master Child Development and Education
