

## Curriculum Vitae

ANITA HARDON

**Birth** 4 January 1961, Woodland, California, USA

Married, one daughter

### Education

- 1990 PhD Medical Anthropology, University of Amsterdam
- 1982-1985 MSc Medical Biology (majors: medical anthropology, epidemiology, STS) **cum laude**, University of Amsterdam

### Employment

- 2010-2014 Scientific Director, Amsterdam Institute for Social Science Research
- 2001-present Full Professor 1, Anthropology of Care and Health, University of Amsterdam
- 2001-2005 Scientific Director, Amsterdam School for Social Science Research
- 1989-2001 Associate Professor, Medical Anthropology Unit, University of Amsterdam. Teaching and Principal Investigator in several international research projects
- 1985-1989 PhD researcher, Self-care, Medicines and the Poor in Manila, Ateneo de Manila University, HAIN, Philippines

### Research Awards

- European Research Council Advanced Grant (2012-2017). *ChemicalYouth: What chemicals do for youths in their everyday lives*, PI, seven PhD students (€2.5 million)
- European Commission, HEALTH Program, 7th Framework (2011-2014). *INTREC Training and Research Centres of Excellence*. Collaborator assisted by one post-doc (€162,000)
- Dutch Science Foundation/WOTRO (2009-2013). *Filling the Gap: Social Institutions and AIDS in Kenya, Tanzania and Zambia*. PI, supervising 2 post-docs and 3 PhDs (€497,959)
- National Institute of Health USA/WHO (2007-2011). *Multi-country African Study on Testing and Counseling for HIV (MATCH)*. Co-PI with Carla Obermeyer, WHO (\$ 743,000)
- Aids Foundation, International Research Program (2007-2011). *Learning by Doing: Enhancing Treatment Literacy and Addressing Sexual and Reproductive Health of PLWA in Eastern Africa*. PI with Institute of Tropical Medicine, Antwerp (€600,000)
- Netherlands Ministry of Foreign Affairs (2005-2010). *IS (International Development) Academie HIV-AIDS*. Scientific Director, with 4 PhDs (€1,006,185)
- *Development of ART adherence-enhancing interventions in Burkina Faso and Mali* Netherlands Ministry of Foreign Affairs (2005-2009) (€464,473)
- Netherlands Ministry of Foreign Affairs (2005-2009). *AIDS Medicines in Resource Poor Settings: Uganda, South Africa*. PI, supervising 4 PhDs, 1 post-doc (€370,944)

- Netherlands Ministry of Foreign Affairs (2005-2008). *Logics of Care: Prevention of Mother to Child Transmission Programs: Vietnam and Indonesia*. PI (Medical Committee Netherlands-Vietnam) with 2 PhDs (€240,053)
- DANIDA (2004-2006). *Comparative Assessment of Public-Private Interactions to Increase Access to HIV-AIDS Medicines*. PI (€600,000)
- Dutch Science Foundation & Zon/Mw (2004-2005). *Diversity among Patients in Medical Practice*. PI (invited) (€144,000)
- European Commission, FP-6, DG XII program for scientific collaboration (1998-2001). *Quality of Care in Reproductive Health*, Concerted Action (coordinated by the International Center for Reproductive Health, University of Ghent).
- Ministry of Foreign Affairs, the Netherlands (1993-2001) Multi-country study *Gender, Reproductive Health, and Population Policies*, research grant from the Dutch Ministry for Foreign Affairs. Conducted in the Netherlands, the Philippines, India, Zimbabwe, Uganda, Ethiopia, Mexico, Bolivia and Brazil
- Research grant from the Policy and Operations Evaluation Department, Netherlands Ministry of Foreign Affairs (2000-2001) Evaluation ten-years international *health/nutrition/population development aid*.
- South Africa-Netherlands Research Program on Alternatives in Development (1998-2000). *Gender and women's sexual and reproductive practices and health care in Metropolitan Cape Town*, implemented by the Department of Anthropology and Sociology of the University of the Western Cape.
- *Scientific project leader "Global Programming and Technology Development", part of the Social Science and Immunization project* (1995-1998), research grant from DGIS and DANIDA, in cooperation with Institute for Health Policy Studies, University of California; Center for Development Economics, Delhi School of Economics; de La Salle University, Philippines.
- Ministry for Health, the Netherlands (1996-1998). Principal investigator. *Acceptation of vaccination among migrants in the Netherlands*.
- Ministry of Foreign Affairs, the Netherlands (1993-1996). *Quality of Care and adherence to reproductive rights in family planning programs* with the Women's Health Action Foundation, Amsterdam.

#### **Visiting professorships**

- New York University (2015)
- University of the Philippines, School of Medicine (2010)
- New York University, Department of Anthropology (2007)
- Université Paul Cézanne Aix-Marseille, Centre de Recherche Cultures, Santé, Sociétés (2005)
- The University of the Western Cape, Anthropology and Sociology Department (2004)
- The University of Iowa, Global Health Program (2003)

#### **Invited lectures:**

**Anita Hardon** receives many invitations to speak at conferences and symposia. She realizes that presenting her research is important and she enjoys engaging in intellectual debate. However, she only accept a fraction of these invitations (3-4 per year) with the aim of engaging medical anthropologist colleagues as well as biomedical practitioners and policy-makers. Below is a select list:

- 2013. Endnote Address Encounters and engagements: Creating new agendas for medical anthropology. SMA/EASA, Taragona
- 2012. Keynote: Adolescent sexual and reproductive health. *UNDP/UNFPA/WHO/World Bank Special Programme of Research, Development and Research Training in Human Reproduction*, Geneva, June 21
- 2012. Endnote: New socialities and subjectivities in health care in the 21<sup>st</sup> century – taking stock. *Seventh biennial conference Medical Anthropology at Home (MAAH)*, De Horst, June 22-24

- 2011. 3Cs and D in PMTCT: mixed methods results. *World Health Organization Expert Meeting on HIV Testing and Counselling*, Geneva, July 12
- 2011. A comparative ethnography of an illicit practice. *Annual Conference of the American Anthropological Association*, Montreal, Nov 16-20
- 2011. Keynote (with Vinh-Kim Nguyen): Social science and AIDS medicines. *First International HIV Social Science and Humanities Conference*, Durban, June 11-13
- 2011. Keynote: Medical pluralism, techniques, politics, institutions. *Medical Anthropology Network/ EASA Conference*, University Sapienza, Rome, Sept 5-7
- 2010. Complementary and alternative medicines and biomedicine in chronic diseases: what do we learn from the margins? *European Association for Social Anthropologists*, Maynooth, Aug 24-27
- 2010. Endnote: issues for the future. *Medical Anthropology in Europe: Shaping the Field*, St. Antony's College, Oxford, July 12
- 2009. Panel organizer: From logic of choice to logic of care: the changing face of HIV tests in Africa. *Medical Anthropology at the Intersections*, Society for Medical Anthropology, Yale Univ., Sept 26
- 2009. AIDS medicines for Africa: the authority of science. Max Planck Institute for Social Anthropology, Halle, June 14-16
- 2009. Medicines as material things. *Materiality in Medicine*, Institute of Social and Cultural Anthropology, Oxford University, Jan 26
- 2008. Keynote: The re-emergence of primary health care in times of crises: primary health care and social equity. *MASS Symposium*, University of Basel, Sept 12
- 2008. Keynote: Medicines, consumers and society: trends and challenges. *National Medicines Symposium*, Canberra, May 15
- 2007. Engaging in biomedical hypes and hopes. New York University, Oct 25

#### **Leadership in the organization of international conferences:**

- 2013. Invited European Co-Chair Steering Committee, Second International Conference of the Society for Medical Anthropology, linking for the first time the European and American networks
- 2011. Co-Chair Program Committee, European Medical Anthropology Network Conference: Medical Pluralism, Techniques, Politics, Institutions, La Sapienza University, Rome
- 2010. Invited Chair, Access Workshop. Global Health Roundtable. Irmgard Coninx Stiftung, Berlin

#### **Journal articles**

Anita Hardon published in *Social Science & Medicine\**, *Annual Review of Anthropology*, *BMC Public Health\**, *AIDS Care*, *Culture, Health & Sexuality*, *PLoS Medicine*, *Health Expectations\**, *Medical Anthropology\** and *International Journal of Drug Policy\** – top journals in their fields with impact factors between 15.253 and 0,3932 (\* Open Access Journals). Her recent focus has been on publishing special issues as a publication venue for her PhD students and collaborators. In the past 3 years this has resulted in a 2011 issue on 'AIDS Treatment in East Africa' in the Journal *Medical Anthropology*; a 2012 issue in *Culture, Health & Sexuality* on 'Secrecy as embodied practice: beyond the confessional imperative', and a 2013 issue in *SAHARA-J* on "Disclosure in Times of ART: A Relational Analysis of Social Practices". In 2014 the issue 'The Normalization of HIV in the Age of Antiretroviral Treatment: Perspectives from Everyday Practice' was published in *Medical Anthropology* and the two special issues on 'Mediating Medical Technologies: Flows, Frictions and New Socialities' and 'Ethnographies of Youth Drug Use in Asia' were published in *Anthropology and Medicine* and *International Journal of Drug Policy* respectively. A special issue on 'Drugs Stories and Itineraries. On the Making of Industrial Asian Medicines' is accepted and forthcoming in *Anthropology and Medicine*.

- N.T. Kancheva Landolt. 2013. *Optimization of reproductive health care for HIV-positive women*
- Ellen Blommaert. 2014. *Aspirations and Seks: Coming of Age in Western Kenya in a context of HIV*

**Membership of scientific committees and boards:** Anita Hardon has played a key role in strengthening European and global collaboration in the field of Medical Anthropology. Since 2010, she has served as the elected chair of the Medical Anthropology Network of the European Association for Social Anthropology. She also is a member of the advisory committee for the Priority Research Program Deutsche Forschungsgemeinschaft (DFG) *Adaptation and Creativity in Africa: Significations and Technologies in the Making of Order and Disorder* (SP1448) (2010-2015).

**Membership of editorials boards of leading journals:** At present Hardon is associate editor of *Medical Anthropology*, member of the international editorial board of *AIDS Care* and of the upcoming open access journal *Preventive Medicine*, and member of the scientific committee of *Anthropologie & Santé: revue internationale francophone de l'anthropologie de la Santé*.

**Advisory roles:** Hardon is regularly approached to provide social science expertise to the European Commission, the Dutch Science Foundation (NWO), the World Health Organization,

UNAIDS and to NGOs. Among others, she have served as a member of the WOTRO Policy Advisory Committee for NWO (2007-2009) and the Independent Evaluation Supervisory Panel for the Five Year Evaluation of UNAIDS (2000-2002). Since 2008, Hardon has been a board member of AIDS Fund/Stop AIDS NOW.
