

Short bio statement

Jan Hulstijn is professor emeritus of second language acquisition at the Amsterdam Center for Language and Communication (ACLC) of the University of Amsterdam. He has been affiliated with this university (full professor) since 1998. Before that he held positions at Leiden University and the Free University of Amsterdam. He was associate post-doc researcher at the University of Toronto, Canada (1982-1983) and he was visiting professor at the University of Leuven, Belgium, (2002) and at Stockholm University (2005). His main research interests are concerned with (1) language proficiency in native and non-native speakers; (2) explicit versus implicit accounts of first and second language learning and (3) theories of second language acquisition and philosophy of science. With others PIs, he received a number of research grants from the Netherlands Organisation of Scientific Research (NWO) between 1982 and 2007 (see webpage). In 2018 he received the 2018 distinguished scholar award from the European Second Language Association (EuroSLA). In 2015, he published a book presenting his theory of basic language cognition (BLC). His publication list can be downloaded from his webpage: <http://www.uva.nl/profile/j.h.hulstijn>.
