

Proof of Qualification - Track-specific Requirements – Training & Development

Refer to the track-specific requirements and explanatory notes listed on the website under 'Application and admission - Step 2'. Did you read this page?

- Yes
- No > Please read the requirements and explanatory notes on the website

Please mention the relevant courses of your curriculum in the table below. Make sure that all data corresponds with the information listed on your grade transcript. If you haven't obtained your grade yet, list nfy (not finished yet) in the grade column. Please note you may use each EC credit only once.

- Non-UvA candidates only: add course descriptions from your university's course catalogue, including literature, of the courses mentioned below. Merge these pages into 1 PDF file. Pre-Master's applicants and pre-Master's students: please consult the FAQ on the website.
- If you are a current pre-Master's student for this track, simply state that you are a current pre-Master's student, and add last year's decision letter in which your pre-Master's courses are listed. Merge these documents into one PDF document.

Name	
Student number	

1. As part of the selection process, we would like to hold mini interviews with you. Please select a day and time that suits you best, on this website: [Appointment with T&D](#). Do not register for more than 1 moment.

2. I have completed or will complete the following courses:

- Knowledge and skills in the field of (basic) conversation techniques in Psychology (≥ 3 EC level 2). Preferably obtained in the course Practical training: Psychological Communication (earlier names: Psychological Communication / Gesprekspracticum) of the UvA Bachelor of Psychology.

Course name	Amount of EC	Grade

- Advanced knowledge in any field of Psychology (≥ 12 EC on 2nd year or 3rd year level)

Course name	Amount of EC	Grade

Add official course descriptions of all the courses you listed above. Make sure the descriptions include the course literature. If the course literature is not stated in the course description, please add it separately by adding the name and author of the book.
