

Proof of Qualifications – Basic requirements – Master’s Programme Psychology

Refer to the basic requirements and explanatory notes on the website under ‘Application and Admission – Step 2’. Did you read this page?

- Yes
- No → Please read the requirements and explanatory notes on the website

Indicate what degree you have completed or will complete prior to the start of the programme:

- Bachelor’s degree in Psychology from the UvA or another university in the Netherlands, or Bachelor’s degree in Psychobiology from the UvA, or the ‘UvA Kwalificatieprogramma’ within the bachelor of Applied Psychology at the Hogeschool van Amsterdam
 - ➔ You do not need to complete the rest of the form. Upload this form into MyInfo and proceed to the Proof of Qualification – track specific requirements.
- Pre-master’s programme Psychology from the UvA
 - ➔ Please add your pre-master decision letter to this form. You do not need to complete the rest of the form. Upload this form into MyInfo and proceed to the Proof of Qualification – track specific requirements.
- Other bachelor’s programme from the UvA
 - ➔ Please complete the table on the next page. The course name and the grade must exactly match the data on your grade list. If you have not yet obtained your grade, write **nfy** (not finished yet) in the grade column.
- Other programme than mentioned above
 - ➔ Please complete the table on the next page according to the instructions below:
 1. Enter the course name, number of EC and grade in the appropriate columns. The course name and the grade should exactly match the data on your transcript. If you have not yet obtained your grade, write **nfy** (not finished yet) in the grade column.
 2. At the end of this form, attach official course descriptions of all the courses you listed in the table. Make sure the descriptions include course literature. If the literature is not listed in the course description, please add it separately by listing the name and author of the book.
 3. Attach your undergraduate thesis, undergraduate project, abstract, or approved research proposal at the end of this form. You can do this by merging multiple documents into 1 document.

Please note:

- You must have passed all specified courses with a passing grade ($\geq 5,5$) to meet these requirements.
- ECs may be used only once: you may divide the ECs of a course over the different requirements, but added up they may not exceed the total number of ECs of the course.

Name	
Student number	

I have completed or will complete the following courses:

- A. ≥ 5 EC Basic knowledge of Psychology on level year 1

Course name	Amount of EC	Grade

- B. ≥ 24 EC Methods and Statistic courses in Psychology or Social Sciences of which ≥ 21 EC on quantitative research

Course name	Amount of EC	Grade

- C. ≥ 9 EC Empirical research project on a Psychological subject or related Social Science

Course name	Amount of EC	Grade

On the next page, only if applicable to your situation, include official course descriptions for all courses you list in the table. Make sure the descriptions include course literature. If the literature is not mentioned in the course description, add it separately by listing the name and author of the book. Attach your undergraduate thesis, undergraduate project, abstract, or approved research proposal.
