

Alumni Summer Drinks june 2022

June 6 we had our yearly Summer Drinks. They were a great success. We decided to accompany the drinks with a delicious 'rijsttafel' in the cozy garden of the JVP. A nice group of our members joined and many a conversation could be heard. We also thanked Ellen and Marjolein for their time as board member of the Network. We will surely miss them at our meetings, but will definitely still see them around. Again thank you Ellen and Marjolein for your time. Even after the JVP closed its doors people could be seen talking outside. Because of the great succes drinks and dinner will be repeated coming 21 october after our visit to the Tropenmuseum!
