Pick-up service
On Friday, 16 and Monday, 19 August 2019, between 07:00 and 16:00, the UvA
offers new international students a free pick-up service from Amsterdam Schiphol Airport, also for students arriving by train.

- The shuttle bus will take you to the university to have an all-inclusive Start appointment.
- If you are renting with De Key or DUWO, you will also collect your key.
- Please sign up beforehand for this Pick-up service, and check the video for an impression of your arrival at the UvA.

Start appointment
To ensure a smooth start in Amsterdam, every arriving international student is invited for a Start appointment, to get help with University and government formalities.

Buddy program
Get to know a Dutch (or local) student and expand your social circle, someone with a global mindset and an openness towards each other’s cultures, who knows the local treats of Amsterdam, someone who can answer your questions about town, the UvA or Dutch ways. Sign up for the ISN Amsterdam Buddy Program and you’ll get a match with a local student who shares your interests.

Exchange Express
An informative and fun digital
magazine made by Exchange Ambassadors: students on exchange at the UvA and the other way around. A taster of what living in Amsterdam will be like! The editors have participated in the award-winning student ambassador programme.

**Insurance penalty**

You are required by law to have appropriate health insurance for the duration of your stay in the Netherlands. If you do not have insurance, you risk having to pay a penalty. You may also receive a notice from the Dutch government organization **CAK Netherlands Healthcare Institute** that you are not insured and will be fined, even if you have already arranged insurance for your stay in the Netherlands, through e.g. AON or EHIC. When you get this letter (in Dutch) you always have to act. Read how to appeal against this letter on our Insurance website.

**Living expenses in Amsterdam**

Expect to spend about €900-€1400 a month on living expenses in Amsterdam or surroundings (tuition fees not included). For a rough breakdown, go to the link below. Make sure you can cover all your expenses before you come to
Amsterdam as it’s not easy to find additional funding once you’ve arrived. Most scholarships, for instance, have to be applied for while you’re still in your home country.
