Subject
Invitation to attend an information evening for Roeterseiland residents on Monday, 16 January 2012

Dear Sir or Madam,

We would like to invite you to attend a residents' information evening concerning progress on the construction and demolition work on Roeterseiland to be held on **Monday, 16 January 2012 from 18:00 to 19:00** (doors open at 17:45). The location of the meeting will be the site office of BAM, the contractor, located near the entrance to the construction site on Valckenierstraat, next to the former diamond cutting factory on Nieuwe Achtergracht.

During the information evening we would like to inform you of the activities subsequently scheduled to be carried out during the first quarter of 2012. In addition to representatives from the University of Amsterdam's Real Estate Development department, contractor's representatives will also attend to answer any questions you may have.

At the end of the meeting you are welcome to take with you a summary overview of the actions taken by the University of Amsterdam and BAM in response to the reactions received from local residents. The overview has been updated through December 2012 and includes current commitments.

We wish you a merry Christmas and a happy new year and hope to meet you on January 16. Should you be unable to attend, you may read the meeting report, which will be published on our website www.uva.nl/roeterseiland.

Yours faithfully,
on behalf of the University of Amsterdam

K. Lammers, MCM
directeur of Real Estate Development
