Choose your Minor!

19 April 2018
Find the minor that suits your interests and ambitions.

UvA Minors Fair
Get to know our minors at the UvA Minors Fair on 19 April (main hall of REC E). Meet the people behind the minors, listen to their stories, ask questions and discover the minor that suits you and your academic interests.
Start preparing now: go through the check list below and register for the Minors Fair.

Why take a minor?
☐ Expand your breadth of knowledge by choosing an interdisciplinary minor or a minor in a different field.
☐ Increase your depth of knowledge by choosing a specialised minor in your field.
☐ Prepare for the process of choosing a Master’s programme.
☐ Start thinking about your options after the Bachelor’s programme.

Checklist
☐ Check during which period of your degree programme you can take a minor.
☐ Check your degree programme’s requirements for taking a minor.
☐ Check whether your minor must be approved by the Examinations Board.
☐ Check the entry requirements for the minor of your choice.
☐ Check when the minor of your choice is available in the timetable.
☐ Check the application process for the minor and each course in the minor.
☐ For non-UvA students: check how to enrol as a ‘guest student’.
