Approval for minor selection per bachelor 2026–2027

Legend

Blank: No approval from the Examination Board required to include minor programme in your study plan.
Faculty of Science students must add the minor to their study plan after placement.

X: Minor programme cannot be included in your bachelor's study plan.

E: After placement you need approval from your programme's Examinations Board to include the minor programme to your study plan.

T: Approval may be required to include the minor programme to your study plan depending on your track.

A: **AUC students:** see Off-Campus Courses - AUC Student Information.

Note: Admission is not guaranteed. Entry requirements and selection may apply. See the minor page for details.
