Approval for minor selection per bachelor 2026–2027

Legend

Green: No approval from the Examination Board required to include minor programme in your study plan.
Faculty of Science students must add the minor to their study plan after placement.

Red: Minor programme cannot be included in your study plan.

Yellow: After placement you need approval from your programme's Examinations Board to include the minor programme in your study plan.

Blue: Depending on your track approval may be required to include the minor programme in your study plan.

Purpose: **AUC-students:** see Off-Campus Courses – AUC Student Information.

Note: Admission is not guaranteed. Entry requirements and selection may apply. See the minor page for details.
