### ACADEMIC POSITIONS

- Sept 2023 - Assistant Professor  
*Linguistics department, University of Amsterdam*
- Sept 2022 - Postdoctoral researcher  
*Amsterdam Center for Language and Communication, University of Amsterdam*  
Project: A canvas in space. Partitioning of the signing space for referential purposes in Sign Language of the Netherlands (NGT).
- Jan 2022 – May 2023 Postdoctoral researcher  
*Institute for Logic, Language, and Computation, University of Amsterdam*  
Project: Empirical investigation of questions in NGT (PI: Dr. Floris Roelofsen)
- Sept 2020 – Dec 2021 Postdoctoral researcher  
*Linguae Sign Language Group, Institut Jean Nicod, CNRS-ENS-EHESS | PSL, France*  
Project: Neg-raising constructions in three sign languages (collaboration with Dr. Carlo Geraci)
- Oct 2019 – Aug 2020 Lecturer  
*Linguistics department, University of Amsterdam*  
Syntax, semantics, sign language linguistics, thesis supervision; BA and (research) MA
- June 2016, June 2017 Lecturer  
*University College Utrecht*  
BA summer course “Sign Language and Perspectives on Deaf Culture”

---

### EDUCATION

- 2015-2020 PhD candidate  
*University of Amsterdam*
- Thesis: Iconicity as a mediator between verb semantics and morphosyntactic structure: A corpus-based study on verbs in German Sign Language.
- Supervisors: Dr. Roland Pfau, Prof. dr. Enoch Aboh (promoters), dr. Vadim Kimmelman (co-promotor)
- 2013-2015 Research Master Linguistics (cum laude)  
*University of Amsterdam*
- Thesis: Psych-verbs in Sign Language of the Netherlands.
- Supervisor: Dr. Roland Pfau

2009-2012            Bachelor Liberal Arts & Sciences (*cum laude*)  
                          *University College Utrecht*  
Major:                Linguistics & Cognitive Neuroscience  
Thesis:               Sentence-final pointing signs in spontaneous signing in NGT.  
Supervisor:         Dr. Onno Crasborn (Radboud University Nijmegen)

---

## OTHER ACADEMIC TRAINING

Nov-Dec 2022        *Inquisitive Semantics*  
                          University of Amsterdam

Nov-Dec 2018        *Super Semantics*  
                          École Normale Supérieure, Paris

July 2018             *Crete Summer School of Linguistics 2018*  
                          University of Crete

2015-2018            *LOT schools for graduate students of linguistics*  
                          Free University Amsterdam, Radboud University Nijmegen, Utrecht University, Tilburg  
                          University, University of Amsterdam

June 2014            *SignGram COST Summer School in Formal Approaches to Sign Language Linguistics*  
                          Università Ca'Foscari Venice

---

## HONORS & AWARDS

2022                  *NWO (Dutch Research Council) Veni grant*  
                          €280.000

2019                  *Niels Stensen Fellowship*  
                          ~€50.000

---

## RESEARCH INTERESTS

Sign language linguistics  
Syntax-semantics interface issues  
Cross-modal typology  
Corpus-based linguistics  
Experimental linguistics
