Publons Ranking

68th percentile of reviewers in Social Sciences (all) on Publons up until August 2016.

Peer Review Summary

Reviewed 42 manuscripts for journals including *Energy Policy* and *Society and Natural Resources*; placing in the 94th percentile for verified review contributions on Publons up until August 2016.

	11	Energy Policy
	2	Society and Natural Resources
	2	Journal of Environmental Planning and Management
	2	Applied Energy
	2	Energies
	2	Renewable and Sustainable Energy Reviews
	2	Antipode
	2	Geoforum
	2	Energy Research and Social Science
	2	Nature Energy
	1	Transactions of the Institute of British Geographers
	1	Ecological Economics
	1	Renewable Energy
	1	Environment and Planning A
	1	Land Use Policy
	1	Environmental Impact Assessment Review
	1	Marine Policy
	1	Environment and Behavior
	1	Environmental Management
	1	Technology Analysis and Strategic Management
	1	Journal of Environmental Policy and Planning
	1	Journal of Risk Research
	1	Environmental Science & Technology

Pre-Publication Review List

A list of all verified pre-publication reviews up until August 2016.

-  Aug 2016 Ecological Economics
A new power line in your backyard – are you willing to pay or to accept?
-  Jul 2016 Energy Research and Social Science
Smart Grids, Smart Users? Demand Side Management in Context
-  Jul 2016 Geoforum
Landscape acceptability and generational change on the Mactaquac hydroelectric dam headpond, New Brunswick, Canada
-  Jul 2016 Environment and Behavior
Ingroup identification, outgroup inhumanization, and intention to mobilize in Locally Unwanted Land Uses conflicts: An experimental study

-  May 2016 Energy Policy
Visualization Dome for Improved Social Acceptance of Wind Farms
-  Apr 2016 Environmental Impact Assessment Review
Subsurface activities and decision support systems
-  Apr 2016 Antipode
Energy Colonialism and the Role of the Global in Local Responses to New Energy Infrastructures in the UK: A Critical and Exploratory Empirical Analysis
-  Mar 2016 Geoforum
Landscape acceptability and generational change on the Mactaquac hydroelectric dam headpond, New Brunswick, Canada
-  Dec 2015 Renewable and Sustainable Energy Reviews
Review of barriers to the introduction of residential demand response: a case study in the Netherlands
-  Dec 2015 Antipode
Carbon colonialism: The role of historical narratives and perceptions of distributive justice at different scales in local responses to new energy infrastructure in the UK
-  Nov 2015 Nature Energy
Lessons from Ontario wind energy disputes
-  Nov 2015 Nature Energy
Lessons from Ontario wind energy disputes
-  Nov 2015 Energy Policy
Wind parks perceived: Who should plan - Who may oppose - Who should assess?
-  Oct 2015 Renewable and Sustainable Energy Reviews
-  Aug 2015 Journal of Environmental Planning and Management
From social acceptance to social acceptability of wind energy projects: Towards a territorial perspective
-  Jul 2015 Marine Policy
Incorporating the visibility of coastal energy infrastructure into multi-criteria siting decisions
-  Jun 2015 Energies
Can the BestGrid Process Improve Stakeholder Involvement in Electricity Transmission Projects?
-  May 2015 Energy Policy
Exploring public engagement with geothermal energy in southern Italy: a case study
-  Apr 2015 Journal of Environmental Planning and Management
REVIEW PAPER: Social science and the social acceptability of wind technology: Towards a territorial perspective
-  Mar 2015 Energy Policy
Exploring public engagement with geothermal energy in southern Italy: a case study
-  Dec 2014 Energy Policy
Exploring public engagement with geothermal energy in southern Italy: a case study
-  Dec 2014 Environmental Science & Technology
Community Investment in Wind Farms: Funding Structure Effects in Wind Energy Infrastructure Development
-  Sep 2014 Journal of Risk Research
Siting controversies analysis: framework and method for questioning the procedure
-  Aug 2014 Technology Analysis and Strategic Management
A comparison of consumer attitudes towards smart home delivery in the United Kingdom, Germany and Italy: reflections for key policy areas and future research
-  Jun 2014 Transactions of the Institute of British Geographers
More than wind power: energy landscapes and low carbon transitions
-  Apr 2014 Applied Energy
Smart meter adoption and deployment strategy for residential buildings in Indonesia
-  Feb 2014 Energy Policy
What influences the probability of wind farm planning approval: An embedded case study of the Republic of Ireland

-  Jan 2014 Energy Research and Social Science
Smart Grids, Smart Users? Demand Side Management in Context
-  Dec 2013 Applied Energy
Smart Meter Adoption and Deployment Strategy in Residential Buildings
-  Nov 2013 Energy Policy
What influences the probability of wind farm planning approval: Evidence from Ireland
-  Nov 2013 Energy Policy
Residents' attitudes to proposed wind farms in the West Coast region of South Africa: A social perspective from the South
-  Oct 2013 Renewable Energy
Preferences over, and Willingness to Pay for, Renewable Energy Technologies
-  Aug 2013 Energy Policy
Residents' attitudes to proposed wind farms in the West Coast region of South Africa: A social perspective from the South
-  Aug 2013 Society and Natural Resources
An array of deficits: Unpacking NIMBY discourses in wind energy developers' conceptualisations of their local opponents
-  Aug 2013 Journal of Environmental Policy and Planning
Competing wind energy discourses, contested landscapes: Discursive constructions of landscapes in the wake of Germany's energy transition
-  Jul 2013 Environment and Planning A
Beyond rhetoric to understanding asymmetrical impacts of wind turbine conflict in two Ontario, Canada communities
-  May 2013 Land Use Policy
Assessment of the renewable energy-mix and land use trade-off at a regional level: A case study for the Kujawsko-Pomorskie Voivodship
-  May 2013 Society and Natural Resources
An array of deficits: Unpacking NIMBY discourses in wind energy developers' conceptualisations of their local opponents
-  May 2013 Energy Policy
Valuing the Local impacts of a Large-scale Wind Power Establishment in Northern Sweden: Public and Private Preferences towards Economic, Environmental and Socio-Cultural Values
-  Jan 2013 Energy Policy
The role of values in public beliefs and attitudes towards wind farms
-  Dec 2012 Environmental Management
Different Shades of Green: A Case Study of Rural Support for Wind Farms in the Rural Midwest
-  Dec 2011 Energies
Carbon Lock-Out: Advancing Renewable Energy Policy in Europe
